## *A Profile of Our Firm*

**JacksonWhite, P.C.** offers a full range of legal services to assist individuals, families and businesses in achieving success in legal matters. Founded in Mesa, Arizona in 1983, the firm has grown steadily to include a full complement of highly experienced attorneys and staff who are proud to be a part of what is now one of the largest law firms in Phoenix's East Valley. Today, while the main office remains in Mesa, JacksonWhite operates three other offices around Arizona in Peoria, Casa Grande and Payson.

JacksonWhite has built a strong reputation for providing responsive, effective and dedicated services, personalized to meet each client's individual, family or business needs. Our firm is large enough to offer the efficiency and technical expertise of larger firms, yet small enough to provide you with the undivided attention you require. Every client is vitally important to us.

In addition to serving our clients, the firm supports the activities of a number of area non-

profit and civic organizations including the Mesa United Way, Mesa Rotary Club, the East Valley Chambers of Commerce, East Valley Senior Services and the Alzheimer's Association Desert Southwest Chapter, among others. Our attorneys give their time serving on boards and committees of such organizations throughout the state.

We are proud to make a difference for our clients and honored to be a contributor to our community's continued growth.

As you seek solutions to problems or strive for success in an expanding business environment, we will stand by you and welcome the opportunity to serve you.
